DECISION ON RENEWED PETITION
UNDER 37 CFR 1.137(b)

This is a decision on the "Renewed Petition Under 37 CFR 1.137(b)" filed October 06, 2005.

The renewed petition is **GRANTED**.

In a decision mailed herein on September 30, 2005, applicants' original petition for revival under 37 CFR 1.137(b) was dismissed without prejudice for failure to satisfy all the requirements of a grantable petition. Specifically, applicants had failed to provide an acceptable statement that the "entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional" (the statement of unintentional delay included with the original petition had been signed by only one of the applicants).

The renewed petition filed October 06, 2005 includes the required statement of unintentional delay signed by the attorney of record for all the applicants. Applicants have therefore now satisfied the remaining requirement for a grantable petition for revival under 37 CFR 1.137(b). Accordingly, the reply to the "Notice To File Missing Parts Of Nonprovisional Application" mailed February 11, 2004 (filed by applicants on May 16, 2005 as part of the original petition for revival) is accepted as having been unintentionally delayed.

The application file is being referred to Office Of Initial Patent Examination.

Telephone inquiries concerning this decision should be directed to Richard M. Ross at (571) 272-3296 or, in his absence, the undersigned at (571) 272-3217.
